VENEZIA CAST-IRON WALL BRACKET

Al pari dell'omonimo sistema cima-palo, la mensola a muro "Venezia" si distingue per decoratività ed eleganza. Disponibile in un'unica versione, può essere completata con corpi illuminanti a portata.

On a par with the homonymous pole-top system, the "Venezia" wall bracket stands out itself for its decoration and elegance. Available in one version, it can be completed with upright light fixtures.
